

TERMS AND CONDITIONS OF TREATMENT

1. Sterile disposable needles will be used for each acupuncture treatment
2. All information received by the acupuncturist and clinic staff is held in confidence.
3. Payment is due immediately after each session. Acupuncture is not a benefit of MSI, and each person receiving treatment assumes responsibility for payment.
4. Until further notice, fees for service are: - 1st Consultation (plus treatment) \$130.00 (approx. 1hr 15min) - Chinese Medicine \$75.00 (approx. 1hr) - Auricular Medicine \$75.00 (approx. 1 hr) - Addiction treatment \$75.00 (approx. 1 hr) - Herbal update \$50.00 (approx. ½ hr)
5. Persons late for a treatment session may only expect to receive the remaining time available. This ensures other people are not inconvenienced. If the acupuncturist is behind schedule, clients will still receive a full treatment.
6. The clinic allows that treatments may be cancelled the same day without penalty. This also applies to the acupuncturist who may have to reschedule because of childcare issues. There is a \$50.00 fee for "no-showing." We appreciate your understanding on this matter.
